---

## ACADEMIC PROJECTS

---

### Employee Records, Conestoga College

April 2023 - August 2023

- A project designed using GraphQL, and MERN stack.
- Allowed users to add employee details, select their manager, hire date etc. and also allow an admin to perform CRUD operations on the data present.

### DriveTest, Conestoga College

January 2023 - March 2023

- A project built using Node.js, MongoDB, and Express.js.
- Developed a Drive Test Center simulation application, incorporating user interfaces for Driver, Examiner, and Admin roles, allowing for flexible scheduling and efficient management of driver's exams.

### ShopSpot, Conestoga College

January 2023 - March 2023

- A project developed demonstrating skills in Mobile Application Development (Java and Firebase).
- Developed a comprehensive eCommerce application called ShopSpot encompassing a polished user interface with splash screen, home, products, cart, and checkout pages.

### Fit+, Conestoga College

September 2022 - December 2022

- A project created using HTML, SCSS, Bootstrap, JavaScript and jQuery.
- Designed and implemented the responsive website layout for Fit+, integrating flexbox and employing a mobile-first strategy, featuring login/register functionality, homepage, and dynamic animations.

---

## ADDITIONAL EXPERIENCE

---

### Student Representative – Board of Governors, Conestoga College, Kitchener

September 2023 - Present

- Collaborated with board members to set and achieve overarching college goals, fostering a participatory decision-making approach.
- Actively engaged with stakeholders, including students and faculty, gathering feedback to enhance decision-making processes.

### Leadership Assistant, Conestoga Students Inc., Kitchener

January 2023 - December 2023

- Functioned as a crucial liaison between the management of the leadership team and the presidents and members of 35 clubs, ensuring effective communication and collaboration.
- Played a pivotal role in the promotion of CSI clubs within the college, resulting in a notable increase in club memberships, with a 40% rise observed.

### Student Ambassador, Conestoga College, Kitchener

December 2022 - December 2023

- Acted as a representative for fellow students, addressing their issues and needs, which led to a 30% improvement in student satisfaction scores.
- Planned and executed over 20 campus events, fostering active involvement and participation among students, and achieving attendance rates surpassing 500 students per event.
